Marion A. Hecht (“Receiver”), the Court’s appointed Receiver for Joseph S. Forte (“Forte”) and Joseph Forte, L.P. (“Partnership”), files her Thirteenth Report. In summary, the Receiver’s efforts since the commencement of this Receivership proceeding have resulted in the receipt by the Receiver of \$9,172,106.05 as of August 15, 2015, including \$1,732,981.70 recovered in this Thirteenth Reporting Period. The principal remaining unliquidated assets of the Estate are the Receiver’s claims against twenty-five (25) investors whose accounts were opened either by or at the direction of individuals whom the Receiver contends were sophisticated investors who participated in the promotion of the Partnership or by their family members. In connection with the Receiver’s efforts during this reporting period, the Receiver would show the Court as follows:

## **I. BACKGROUND**

On March 24, 1995, Forte executed a Certificate of Limited Partnership, which was filed with the Secretary of the Pennsylvania Department of State on April 3, 1995. The name of the Partnership so created was Joseph Forte, L.P., with Forte named as its General Partner and his home, 225 Fawnhill Rd., Broomall, PA, listed as the Partnership’s address. As set forth in the Limited Partnership Agreement dated February 28, 1995, its purpose was “[t]o form a fund to invest in securities futures.”

In fact, however, Forte operated the Partnership as a Ponzi scheme from the beginning. Over the years, Forte consistently reported annualized returns of approximately 18% to 38% every quarter, regardless of market conditions, thus attracting an increasing number of investors who became limited partners with an interest in the profits of the Partnership commensurate with the amount of their cash investment. By the time that the Partnership filed its 2007 U.S. Return of Partnership Income (Form 1065), the Partnership had over 100 limited partners.

Following the exposure of the Madoff Ponzi scheme in late 2008, some investors sought assurances from Forte regarding the viability of the Partnership. While Forte may have given such assurances orally, he was unable to honor redemption requests. In late December 2008, Forte confessed to federal authorities about the fraudulent nature of the Partnership.

On January 7, 2009, the Securities and Exchange Commission (“SEC”) filed an action against Forte and the Partnership (collectively, the “Defendants”), alleging violations of the Securities Act of 1933 (“Securities Act”) and seeking injunctive relief, disgorgement of ill-gotten gains, and civil penalties pursuant to various provisions of the Securities Act. That same day, the Commodities Futures Trading Commission (“CFTC”) filed an action against Forte, alleging violations of the Commodity Exchange Act (“Commodity Act”) and seeking injunctive relief, disgorgement of ill-gotten gains, and civil penalties pursuant to various sections of the Commodity Act. Also on January 7, 2009, this Court entered a Consent Order of Preliminary Injunction and Other Equitable Relief.

On March 30, 2009, this Court entered in both cases an Order Appointing a Receiver (“Receivership Order”), pursuant to which the Court took exclusive jurisdiction and possession of the Defendants’ assets, monies, securities, choses in action, and properties, real and personal, tangible and intangible, of whatever kind and description, wherever situated, and any entities that the Defendants own or control or in which either of them have an interest (the “Receivership Assets”), as well as the Defendants’ books, records, computers, and documents (the “Receivership Records”). In the same order, Marion A. Hecht was appointed Receiver for the Receivership Assets and Records (collectively, the “Receivership Estate”), with the goal and purpose of marshaling the Receivership Assets to maximize the recovery of defrauded

investors.<sup>1</sup> The Receivership Order also stayed all civil actions or other proceedings involving the Receivership Assets or Receivership Records, other than the Receivership proceedings and any additional charges in the actions brought by the SEC and the CFTC. Also in that order, Lawrence T. Hoyle, Jr. and his law firm were appointed to serve as the Receiver's counsel.<sup>2</sup>

On September 30, 2009, this Court entered Partial Final Judgment as to All Defendants in the SEC action and a Consent Order of Permanent Injunction and Other Equitable Relief against Defendant Joseph S. Forte in the CFTC action.

On June 5, 2009, in the related criminal action brought by the U.S. Department of Justice, *United States v. Forte*, Criminal Action No. 09-304-1 (E.D. Pa.), Joseph Forte pleaded guilty to charges of wire fraud (18 U.S.C. §1343); mail fraud (18 U.S.C. §1341); bank fraud (18 U.S.C. §1344); and money laundering (18 U.S.C. §1957). On November 24, 2009, Forte was sentenced to 15 years imprisonment, five years supervised probation, and restitution of approximately \$35 million by the Honorable Jan DuBois of this Court. *Id.*, Docket Entry No. 35 (Nov. 24, 2009).

On July 11, 2011, the Securities and Exchange Commission filed an action against John Irwin, a Certified Public Accountant who did work for the Partnership, including the preparation of the Partnership's investor account statements and tax returns, and against Mr. Irwin's firm, Jacklin Associates, Inc., alleging violation of federal securities laws in connection with the Partnership, *SEC v. John N. Irwin and Jacklin Associates, Inc.*, Civil Action No. 11-cv-4429

<sup>1</sup> At the time of her appointment, Ms. Hecht was affiliated with Goodman & Company, now known as Dixon Hughes Goodman LLP. On May 1, 2011, Ms. Hecht became a Managing Director at Clifton Gunderson LLP, now known as CliftonLarsonAllen LLP, and the Court, by order dated May 3, 2011, approved Ms. Hecht's utilization of her new colleagues to assist her in connection with her activities as Receiver.

<sup>2</sup> At the time of his appointment, Mr. Hoyle was a partner at Hoyle, Fickler, Herschel & Mathes LLP. On January 3, 2012, Mr. Hoyle became a partner at Schnader Harrison Segal & Lewis LLP and the Court, by Order dated January 3, 2012, appointed Schnader as counsel to the Receiver.

(E.D. Pa.). On July 12, 2011, this Court entered judgments by consent against Mr. Irwin and Jacklin that, among other things, impose injunctive relief and require them to disgorge ill-gotten gains in amounts to be determined upon the SEC's subsequent motion. The Receiver subsequently negotiated an agreement to settle the claims against both Mr. & Mrs. Irwin and, on December 19, 2014, the Court approved the Joint Unopposed Motion of the SEC and the Receiver for Entry of a Final Judgment and Consent Order Against Defendant John J. Irwin.

On May 16, 2012, the Court entered the Order Setting a Claims Bar Date, Establishing Claims Resolution Procedures, and Approving Distribution Methodology (the "Bar Date Order"). That Order effected the following:

- established July 16, 2012, as the Bar Date for claims against the Receivership Estate;
- approved the Receiver's proposed procedures for the evaluation of both quantitative and qualitative aspects of claims against the Estate; and
- approved a hybrid distribution methodology for the allocation of Estate assets to claimants under which 50% of the assets available for distribution would be distributed according to the Rising Tide methodology, and then the remaining 50% of the assets would be distributed according to the Net Investment methodology.

Also on May 16, 2012, the Court issued a Memorandum opinion (the "Memorandum") setting forth the Court's reasoning in issuing the Bar Date Order and in overruling certain objections to the Receiver's proposals that had been raised by a total of forty limited partners. Among other things, the Memorandum established the standard that Investors who received Partnership assets must meet in order to demonstrate their "good faith," as that term is used in

section 5108 of the Pennsylvania Uniform Fraudulent Transfer Act (“PUFTA”), in defending clawback actions brought by the Receiver. *See* Memorandum of May 16, 2012, at 10-13. The Court also confirmed that the Receiver has standing to bring clawback actions under PUFTA (Memorandum of May 16, 2012, at 14) and confirmed that any of the Receiver’s clawback claims under PUFTA that were brought or tolled by March 29, 2010, were timely and could seek the recovery of any transfers made during the life of the Partnership. (Memorandum of May 16, 2012, at 15.)

As discussed more fully below, the Court has authorized two interim distributions totaling approximately \$5,500,000. That amount has been allocated among the claimants in accordance with the previously approved hybrid distribution methodology. Pursuant to the Court’s Orders of February 5, 2014, and July 6, 2015, the Receiver distributed \$3,155,384.74 to 50 claimants whose claims the Receiver had recommended for qualitative approval as Category (iii) claims. The Receiver has simultaneously reserved \$2,338,146.00 (the “Deferred Claim Reserve”) for potential distribution to 19 claimants whose claims have not been recommended for distributions at this time. In sum, either during the operation of the Partnership or during the pendency of this Receivership, each of the 69 claimants has received, or has had held in reserve for his or her benefit, no less than 20.03% of his or her investments into the Partnership.

Pursuant to the Receivership Order, this Thirteenth Report provides updated information regarding the known assets and liabilities of the Receivership Estate; a summary of the Receiver’s activities to date; and information regarding the Receiver’s plan together with an estimated schedule for further anticipated activities of the Receiver with respect to the Receivership Estate. In sum, all of the Estate’s assets have been liquidated or abandoned, except for four assets that remain to be liquidated – one corporate investment, claims against two

recipients of gifts from Forte, claims against two investors who have been sued for net winnings plus interest, and claims to recover net winnings and principal distributed to or at the direction of individuals whom the Receiver contends were sophisticated investors and who participated in the promotion of the Partnership, as well as net winnings received by certain of their family members. The timing of the ultimate wind-up of this Estate will depend on the resolution of the latter claims, which are discussed at the end of Section IV.C on pages 19-20 below.

## **II. OVERVIEW OF THE RECEIVER'S ACTIVITIES**

During the six months since the Twelfth Receiver's Report, the Receiver has diligently continued her work to liquidate the Receivership Assets with the objective of maximizing the recovery for defrauded investors. During this Receivership period, the Receiver recovered \$1,732,981.70, the second highest amount that she recovered during any six-month period to date.

### **A. Work on Asset Recovery**

There was a total of \$3,523,102.81 in the Receivership bank accounts as of August 15, 2015, after the distribution of \$3,155,384.74 to the 50 allowed priority 1 claimants. The total amount in the Receivership bank accounts includes the Deferred Claim Reserve of \$2,338,146.00. See SFAR attached as Exhibit 1.<sup>3</sup>

As shown in Exhibit 1 hereto and set forth in this Report and previous Receiver's Reports, the Receiver has successfully liquidated most of the assets, as well as a number of

---

<sup>3</sup> The Court's July 6, 2015, Order provides that the funds held as part of the Deferred Claim Reserve shall only be subject to the claims of the Deferred Claimants. Upon disallowance of all or part of any Deferred Claimant's claim, the appropriate amount reserved by the Receiver for such Deferred Claimant will no longer be held in the Deferred Claim Reserve for that Claimant but will continue to be held in the Reserve for subsequent reallocation among the remaining claimants as part of any subsequent distribution.

claims against third parties and limited partners, that were illiquid at the time of her appointment. A total of \$1,732,981.70 has been added to the Receivership bank account during the six months since the last Receiver's Report. This includes recovery of \$1,726,701.02 in settlement of various claims, plus interest of \$6,275.68 earned in the Receiver's bank accounts. This brings to \$9,172,106.05 the total collected by the Receiver since her appointment.

Other claims have been resolved in principle, although the Receiver had not yet received all the proceeds of those settlements as of the date of the SFAR attached as Exhibit 1, including the following:

- the Receiver's settlements with the plan participants in two profit sharing plans that had invested in the Partnership (*see* Section IV.C of this Report); and
- judgments totaling \$200,275 in connection with her clawback claims (*see* Section III.C of this Report).

Finally, the Receivership Estate still contains a few assets that remain to be liquidated, including:

- one Forte investment in a closely held business (*see* Section III.B of this Report);
- a few small claims against individuals who received gifts from Forte using Ponzi money fraudulently obtained from the Limited Partners (*see* Section III.C of this Report);
- clawback claims against those limited partners who the Receiver alleges have received Partnership assets in violation of PUFTA, including claims for net winnings of \$3,302,320 as well as claims for principal against those limited partners that the Receiver contends were sophisticated investors who participated in the promotion of the Partnership (*see* Section IV.C of this Report); and

- clawback claims against two apprentices who were employed by the Partnership to learn Forte's trading system (*see* Section V of this Report).

As noted in prior Receiver's Reports, the Receiver continues to believe it is unlikely that there will be sufficient assets recovered to make the Limited Partners whole. However, as discussed below, the Receiver anticipates at least one additional distribution upon the termination of the Receivership Estate.

## **B. Claims Administration**

On February 5, 2014, the Court authorized an initial interim distribution in the amount of approximately \$1,500,000. Pursuant to the Court's Order, on February 14, 2014, the Receiver distributed \$859,416.45 to 49 claimants whose claims the Receiver had recommended for qualitative approval as Category (iii) claims. The Receiver simultaneously reserved \$637,601.30 for potential distribution to 26 claimants whose claims were not recommended for distributions at that time. Thereafter, the number of deferred claimants was reduced to 19.<sup>4</sup>

On July 6, 2015, in light of recent recoveries, the Court authorized a second interim distribution in the amount of approximately \$4,000,000, representing approximately 78% of the total cash then in the Receivership's bank accounts (apart from the Deferred Claim Reserve). Specifically, on July 14, 2015, the Receiver distributed \$2,295,968.29 to 50 allowed priority 1 claimants.<sup>5</sup> At the same time, in accordance with paragraph 14 of the Bar Date Order, the Deferred Claim Reserve being held for the 19 deferred claimants was increased to

---

<sup>4</sup> As discussed in footnote 3 *supra*, the Deferred Claim Reserve for the seven deferred claims that have been released has or will be distributed to approved claimants.

<sup>5</sup> The number of approved claimants was increased from 49 to 50 with the resolution of the litigation against Investors No. 1112 and 1113.

\$2,338,146.00. Investor No. 1022, which has now released its claim as described below, was included among the deferred claimants; accordingly, there are now only 18 deferred claimants.

Utilizing the previously approved hybrid distribution methodology, the amount distributed or held in reserve for any claim as a result of the combined first and second interim distributions was between 9.11% and 20.03% of their claims. Put differently, either during the operation of the Partnership or during the pendency of this Receivership, each of the 69 claimants has received or has had held in reserve for his or her benefit no less than 20.03% of his or her investment into the Partnership.

The Receiver anticipates at least one additional distribution at the end of the Receivership. Because the number, size and timing of any additional distribution(s) will be dependent primarily on the timing and success of the efforts of the Receiver and her counsel to liquidate the few remaining assets of the Estate, she is not now in a position to predict whether there will be additional interim distributions or the size of any future distribution(s).

### **C. Administrative Tasks**

In addition to continuing the implementation of the claims process and performing the substantive work of evaluating and recovering assets described throughout this report, during this reporting period the Receiver continued to perform necessary administrative tasks and legal duties, including communication with limited partners and their counsel about developments in the Receivership and maintenance of a website for the Receivership on which all publicly filed documents are posted.

During this reporting period, the Receiver and her counsel filed their Eighth Interim Fee Petition, covering the five month period from October 1, 2014, through February 28, 2015. That petition is currently *sub judice*. The Receiver and her counsel are in the process of preparing

their Ninth Interim Fee Petition which will cover the six month period from March 1, 2015, through August 31, 2015, for review by the SEC and CFTC and for filing with the Court thereafter. Attached as Exhibit 3 is a schedule listing on a professional entity-by-professional entity basis the Court approved payments of fees and disbursements, as well as the amounts held back for consideration at the end of these proceedings, through the Seventh Fee Petition.

### **III. RECEIVERSHIP ESTATE ASSETS**

#### **A. Receivership Accounts at Eagle and Presidential Banks**

As of August 15, 2015, the Receiver had a total of \$3,523,102.81 in the receivership bank account at Eagle Bank and an Insured Cash Sweep Account (ICS) with Promontory Interfinancial Network LLC, through Eagle Bank. This amount includes the Deferred Claim Reserve of \$2,338,146.00. All bank accounts are insured by FDIC. *See* Exhibit 1 for the Receiver's accounting of cash activity.

#### **B. Real Entertainment Group, Inc.**

Real Entertainment Group, Inc. ("Real") operates World Café Live in Philadelphia, PA. Its business model is to develop a portfolio of live music and restaurant venues under the "World Café Live" brand name. The website is [www.worldcafelive.com](http://www.worldcafelive.com).

As previously reported, Forte invested \$25,000 in Real, purchasing 25 shares of Series B Preferred Stock which is a less than one percent interest. Real forwards updated financial information to the Receiver on a regular basis, which the Receiver monitors.

More than two years ago, the Receiver received an offer for the 25 shares of Series B Preferred Stock, which she deemed too low to accept. In January 2015, the Receiver attended a conference call for investors and offered to sell her shares to existing investors. Since then, the

Receiver has received an inquiry from an investor about the shares, but she has not received a purchase offer.

**C. Gifts and Donations**

**1. Donations to Charities and Organizations**

As set forth in previous Receiver’s Reports, Forte made significant charitable donations to numerous organizations and virtually all of these organizations have agreed to return substantial portions of the donations. See Exhibit 1. During this reporting period, the Receiver received \$100,000 pursuant to the Consent Order concerning the Receiver’s claims against St. Anastasia School that was approved by the Court on January 21, 2015, bringing to \$1,481,591 the total charitable contributions recovered.

**2. Gifts and Loans to Friends, Family, and Third Parties**

As reported in previous Receiver’s Reports, the Receiver made demands to recipients of gifts and loans made by Forte to friends, family and other third parties. To date, all but two of the Receiver’s claims have been resolved through settlements and judgments totaling \$214,775 and the Receiver has received \$18,050 of that amount:

<b>Donee</b>	<b>Amount of Consent Order or Judgment</b>	<b>Paid</b>	<b>Balance Remaining</b>	<b>Comments</b>
Laura Forte	\$96,275	\$0.00	\$96,275	Judgment entered pursuant to an agreement to defer collection and to enforce the judgment against Ms. Forte’s estate upon her death. The Receiver intends to sell this judgment in connection with the wind-up of the Receivership Estate.
Charlie Cannon	\$26,000	\$3,550	\$22,450	In 2012, Mr. Cannon requested a temporary reduction in payment to \$250/month and a deferment of late payments. Since the

				Ninth Receiver's Report, he has paid nothing, although Mr. Cannon promised to resume payments in September 2014. The Receiver recently recorded this judgment which she intends to sell in connection with the wind-up of the Receivership Estate.
Gil Nassib	\$12,500	\$12,500	\$0.00	Paid in Full
John Forte	\$78,000	\$0.00	\$78,000	Mr. Forte has failed to respond to any of the Receiver's communications concerning this judgment. The Receiver intends to sell this judgment in connection with the wind-up of the Receivership Estate.
George Long	\$2,000	\$2,000	\$0.00	Paid in Full

There are two other donees – Harry Beisser, who received \$5,000, and Rose Saddler, who received \$21,800 – who entered into tolling agreements with the Receiver but who have claimed that they are financially unable to return the gifts, as well as other defenses to the Receiver's claims. The Receiver's counsel has reopened communications with these claimants and hopes to resolve these matters promptly, and will keep the Court informed

#### **IV. INVESTOR ACCOUNTS**

##### **A. Receiver's Accounting of Investors' Accounts and Evaluation of Their State of Mind**

Because of the nature of the Ponzi scheme, investors' capital accounts were inflated with phantom profits. Starting with preliminary analyses undertaken by the SEC, the Receiver reconstructed investors' capital accounts. Attached as Exhibit 2 is an updated summary schedule

of reconstructed investor balances, identified by investor number,<sup>6</sup> after elimination of phantom profits,<sup>7</sup> as well as other adjustments discussed below. After reconstruction, account balances that appear in parentheses show the amount by which an investor was a “net winner” – in other words, an investor who received payments of false profits over and above the return of the investor’s original capital contributions. Balances that do not appear in parentheses show the amount by which the investor was a “net loser” – that is, an investor whose investment exceeded withdrawals from the account and who therefore was eligible to assert a claim against the Receivership Estate. Attached as Exhibit 2.1 is a schedule showing the investor accounts that have been adjusted since the Receiver’s First Report. This schedule includes adjustments resulting from distributions pursuant to the two Court-approved interim distributions<sup>8</sup>; payments pursuant to settlement agreements<sup>9</sup>; investors’ withdrawals of certain claims in consideration of the Receiver’s settlements with other “related” investors; the Receiver’s withdrawal of a claim

---

<sup>6</sup> Investor numbers were assigned in order to maintain the privacy of the Partnership’s investors. The SEC notified investors of their specific Investor Numbers. In addition, the Receiver assigned a new number, R01, to an investor identified by the Receiver. Investors are requested to contact the Receiver for any assistance with respect to their Investor Numbers via email at marion.hecht@claconnect.com.

<sup>7</sup> In reconstructing the Limited Partners’ capital accounts, it was necessary for the Receiver to take account of the fact that certain investors (“Transferor LPs”) transferred some of their limited partnership interests to other limited partners (“Transferee LPs”); those intra-fund transfers have been recognized to the extent there was available capital in the Transferor LP account. As discussed in prior reports, in *Marion Hecht, as Receiver for Joseph Forte, L.P. v. Investors #1112 and #1113*, Civil Action No. 13-5382, the Court approved the Receiver’s accounting with respect to the separate identities of individual accounts established by related investors, even when there were transfers among those accounts.

<sup>8</sup> Exhibits 2 and 2.1 list only the distributions to investors in Joseph Forte LP, which total \$3,070,236.08. As discussed in the Receiver’s motions for approval of the two interim distributions, the Receiver designated as priority 1 Claimants not only Limited Partners but also two other claimants who loaned money to Joseph Forte which was deposited into the Joseph Forte L.P. bank account and was used to satisfy Limited Partner redemption requests (Michael and Donna McCorkle and Joseph McManus). The distributions of \$85,148.66 to these two claimants and the distributions of \$3,070,236.08 to the Limited Partners total \$3,155,384.74, as approved by the Court in its two Orders.

<sup>9</sup> For the settling limited partners who have agreed to pay in full the agreed-upon settlement amount, the balance reflected in the Capital Account Balance column on Exhibit 2 is zero (shown by a dash), and the amount of settlement remaining unpaid is identified in the column marked Settlement Amounts Due (as a result of timing and/or other circumstances).

for Net Winnings against a dissolved corporate entity; and information received from investors in connection with the bar date process discussed below.

## **B. Claims Made By Investors**

Pursuant to paragraph (3) of the Bar Date Order, the Claims Bar Date was July 16, 2012. The Receiver received a total of 96 claim forms. A total of 79 claims were received from Limited Partners (one of which was submitted on behalf of two limited partners) and 17 claims were received from other claimants. The Receiver assembled, examined, and analyzed all those claims against the Receivership Estate. On August 15, 2012, pursuant to paragraph 10(a) of the Bar Date Order, the Receiver filed her Preliminary Quantitative Claims Report with the Court and served it on all claimants. On September 27, 2012, she filed her Update to the Preliminary Quantitative Claims Report of Marion A. Hecht, Receiver for Joseph S. Forte and Joseph Forte, L.P. (the "Preliminary Quantitative Claims Update") (Dkt. No. 133 of Case 09-cv-0063). The Receiver initially recommended that the quantitative claims be divided into 77 priority 1 claims<sup>10</sup> totaling \$34,592,576; two priority 2 claims<sup>11</sup> totaling \$4,341.61; and 18 disallowed claims. In connection with the settlement of the Receiver's claims against some investors who were net winners, related claimants have agreed to withdraw or reduce their claims. During this reporting period, two investors (Investors Nos. 1022 and 1095) with claims valued at \$193,000 have

---

<sup>10</sup> Claimants designated as priority 1 are individuals or entities whom the Receiver recognizes as having claims against Joseph Forte, L.P. either because they were Limited Partners or, in the case of Michael and Donna McCorkle and Joseph McManus, because they are individuals who loaned money to Joseph Forte which was deposited into the Joseph Forte L.P. bank account and was used to satisfy Limited Partner redemption requests.

<sup>11</sup> Claimants designated as priority 2 are individuals or entities who made claims against Joseph Forte personally for money that he allegedly owed to them. The Receiver has recommend that the Receivership Estate pay claims designated as priority 2 only if there are funds remaining after all priority 1 claims have been paid in full. Based on the recovery to date, it is unlikely that there will be any distribution to priority 2 claimants.

agreed to release their claims against the Receivership Estate, bringing the total value of withdrawn claims to \$1,738,088 and reducing the priority 1 quantitative claims to \$32,854,488.

The Receiver has continued the implementation of the claims process mandated by the Bar Date Order on May 16, 2012, by analyzing the level of notice of the fraud attributable to each investor who had submitted a quantitative claim for purposes of categorizing each investor into one of the three categories set forth in Paragraph 10(e) of the Bar Date Order:

- (i) if the Receiver determines that an investor was a culpable participant in Joseph S. Forte's Ponzi scheme either by knowingly or recklessly taking actions that furthered the Ponzi scheme or by willfully closing his or her eyes to the fraud, the Receiver shall recommend no distribution to that investor;
- (ii) if the Receiver determines that an investor was on inquiry notice with respect to the illicit operation of the Partnership, the Receiver shall recommend that the investor share equitably in distributions only if (1) the false profits and principal withdrawn during the period after the investor was on inquiry notice are returned to the Receivership Estate or (2) the Receiver and the investor reach an agreement that is approved by the Court concerning a recommended claim amount that takes into account the investor's level of inquiry notice; and
- (iii) if the Receiver determines that an investor was not on inquiry notice with respect to the illicit operation of the Partnership, such investor shall be allowed his or her full share as calculated under Paragraph (15) of this Order.

Bar Date Order at ¶ 10(e). As previously reported to the Court, for purposes of making the qualitative determination, the Receiver took the depositions of certain investors in addition to reviewing all the materials in her possession.

As discussed above, the Receiver has recommended and the Court has authorized interim distributions to 50 claimants whose claims the Receiver had recommended for qualitative approval as Category (iii) claims – *i.e.*, an investor who was not on inquiry notice with respect to the illicit operation of the Partnership and who therefore is entitled to the full share of his or her

claim. During this reporting period the number of claimants whose claims were “reserved” was reduced by two: Investor No. 1095 (one of the investors related to John Irwin) and Investor No. 1022 (an investor related to a defendant named in one of the pending lawsuits described below) As a result, there are now 18 claimants who the Receiver had recommended not receive a distribution at this time; they are named in or related to the defendants named in the draft complaint described below on page 20.<sup>12</sup> If the Receiver and these claimants cannot reach a resolution of whether their claims should be allowed after a good faith effort, the Receiver will either submit the disputes to the Court for resolution pursuant to the procedures set forth in paragraph 11 of the Bar Date Order or file clawback litigation against them.

### **C. Receiver’s Claims Against Limited Partners**

The Receiver has potential claims against each Limited Partner that received any distributions from the Partnership. Only some of those distributions – the distributions in excess

---

<sup>12</sup> Fifteen of the eighteen disputed claimants are part of a group of related investors in the Partnership (the “Family Investors”) who have represented through their counsel that they wish to negotiate with the Receiver as a group rather than individually, even though some of the Family Investors are net winners, while others suffered losses in their investments with the Partnership. The Family Investors are investors #1032, #1077, #1054, #1043, #1045, #1042, #1046, #1037, #1039, #1038, #1036, #1034, #1035, #1118, #1052, #1044, #1039.5, #1040, #1041, #1004, #1005, #1006, #1032.5, #1033, #1047, #1048, #1049, #1050, #1051. Six of the Family Investors (Investors No. 1033, 1039.5, 1040, 1041, 1048, and 1049) filed a Limited Objection to the Second Interim Distribution Motion on the grounds that none of the six had withdrawn any money during the operation of the Forte partnership and, therefore, there was no basis to deny their claims unless they were Category (i) “culpable participants” in the Ponzi scheme. In response, the Receiver explained that she has recommended deferral of a distribution to the Objecting Investors and the other nine limited partners who are related to them because they objected to the Receiver’s determination of the amount of their claims, contending that their claims should be aggregated with those of other family members, rather than treated as individual claims. In light of this dispute over the quantification of their claims, and because the Family Investors sought to negotiate their claims as a group, the Receiver deferred the qualitative determinations of any of their claims, including those of the Objecting Investors. However, the Receiver made clear that if the Objecting Investors abandon the argument that their claims should be aggregated with the claims of the Family Investors, the Receiver is prepared to move forward with the resolution of these claims in a manner consistent with her resolution of other claims. To date, the Objecting Investors have not responded to that proposal.

of the amount contributed by the limited partner, or the “net winnings” – can be recovered without a showing regarding the relevant investor’s state of mind.

In this reporting period, the Court has approved settlements with one limited partner and with plan participants of a profit-sharing plan that was a limited partner. Those settlements are as follows:

DATE OF COURT APPROVAL	INVESTOR NUMBERS OF SETTLING LIMITED PARTNERS	SETTLEMENT AMOUNT
3/11/2015	1095	The release of Investor 1095 (one of John Irwin’s daughters)’s claim against the Receivership Estate (including the \$5,537.90 that was being held in reserve for her claim pursuant to the Court’s order approving the first interim distribution)
6/1/2015	1020	Partial Settlement of \$26,500 with two investors in Profit Sharing Plan and the release of Investor 1022’s claim against the Receivership Estate (including the \$3,340.18 that was being held in reserve for its claim pursuant to the Court’s order approving the first interim distribution)

As shown on the SFAR attached as Exhibit 1, the payment agreed to in these settlements have been received, except for the cash settlement with the Crawford Retirement Account which was due on July 31, 2015. Counsel for the Crawford Retirement Account has contacted the custodian for the Crawford Retirement Account, who has indicated that the process is underway to have the payment issued as soon as possible. If the payment is not received in a reasonable time, the

Receiver shall file a motion to hold the Crawford Retirement Account in contempt for failure to comply with the Consent Order.

At present, the Receiver is the plaintiff in four lawsuits asserting the Receiver's claims against limited partners and/or their transferees, including one suit filed in this reporting period:

- *Marion Hecht, as Receiver for Joseph Forte, L.P. v. John Does, Crawford, Wilson and Ryan Profit Sharing Plan Participants, Numbers 1-250, Civil Action No. 10-1376*: The Receiver has sued the participants in a profit-sharing plan that was a limited partner and net winner in the Ponzi scheme (Investor #1020). The Receiver's Counsel has negotiated and obtained Court approval of two settlement agreements, pursuant to which the defendant plan participants agreed to pay a total of \$51,000 and a related entity (Investor No. 1022) agreed to release its claim against the Receivership Estate. When the remaining amount due under the second of those agreements has been paid, the Receiver intends to dismiss this suit.
- *Marion Hecht, as Receiver for Joseph Forte, L.P. v. John Does, Skee Ball Profit Sharing Plan Participants, Numbers 1-250, Civil Action No. 10-1373*: The Receiver has sued the participants in this profit-sharing plan that was a limited partner and net winner in the Ponzi scheme (Investor #1120). During this reporting period, the Receiver has taken the first step in seeking approval of a settlement pursuant to which the plan participants – individually or through one of their Individual Retirement Accounts -- will pay a total of \$54,823 to the Receivership Estate. If the Court approves the settlement, the Receiver intends to dismiss this suit upon payment of the agreed to settlement consideration.

- *Marion Hecht, as Receiver for Joseph Forte, L.P. v. Abraham Lincoln Foundation of the Union League of Philadelphia, et al.*, Civil Action No. 10-1372: This action against charitable transferees of one of the limited partners has been stayed pursuant to the Court's Order of April 15, 2010. Accordingly, no activity has taken place in this case during the current period. The philanthropic fund that was the limited partner that transferred funds to the charities named in this suit is named as a defendant in the in the draft complaint discussed *infra* at pages 19-20.
- *Marion A. Hecht v. Investor #1090, Investor #1083, and Investor #1025*, Civil Action No. 15-2553: In the Spring of 2015, the Receiver terminated her tolling agreements with four limited partners, who were net winners: Investor Nos. 1025, 1083, 1089, and 1090. In the period of time between the Receiver's giving notice of her intent to terminate the tolling agreements and her filing the complaint, Investor No. 1089 submitted financial information indicating her inability to repay the net winnings of \$160,738 that she had received; accordingly, the Receiver determined to abandon that claim. On May 8, 2015, the Receiver filed a complaint against the other three net winners. The Receiver subsequently reached an agreement in principle with Investor No. 1025 which she expects to submit to the Court for approval in the next few weeks. The Receiver is continuing her settlement discussions with the other two defendants. If the claims against these two net winners cannot be resolved, the Receiver intends to file motions seeking the entry of judgment in her favor for net winnings plus interest, and other amounts that the Court may allow.

During the twelfth reporting period, the Receiver finished a draft complaint involving 25 limited partnership accounts seeking to recover net winnings and principal distributed to or at the direction of individuals whom the Receiver contends were sophisticated investors and who participated in the promotion of the Partnership, as well as net winnings received by certain of their family members. After sharing that draft complaint with counsel for the investors, the Receiver's counsel engaged in discussions with counsel for some of those investors. When there was a lack of progress in those discussions, the Receiver terminated the tolling agreements in early July, anticipating filing the complaint in mid-August. Thereafter, in light of communications with counsel for certain of those investors suggesting that an offer would be forthcoming shortly, the parties agreed that the period of tolling should be extended for those investors until September 18, 2015. In the absence of substantial progress in her efforts to resolve her claims against the Family Investors, justifying a further extension of the tolling agreement, the Receiver will file suit upon termination of the tolling period.

#### **V. THE RECEIVER'S CLAIMS AGAINST APPRENTICES TO JOSEPH FORTE**

Jacklin Associates employed "apprentices" to Joseph Forte who were to learn the trading system allegedly used by Forte. The first apprentice was put on the payroll in 2000; there were three apprentices by the end of 2008. Two of these apprentices were also limited partners. Over the years, salary payments reflected on the three apprentices' W-2 forms totaled approximately \$2,300,000, all of which was money stolen from the Limited Partners. As reported in previous Receiver's Reports, the Receiver executed tolling agreements and engaged in discovery with all three apprentices.

During the eleventh Reporting Period, the Receiver resolved her claims against one of the apprentices, Edmund Coll. Based on his financial condition and his demonstrated inability to

pay any additional funds. Mr. Coll paid \$325,000 to the Receiver, which was less than his net winnings.

One of the two other “apprentices” is named as a defendant in the draft complaint discussed *supra* at page 20. As to the third apprentice, James Boudwin, the Receiver’s counsel has renewed her requests to his counsel for financial information about his ability to repay any of the funds that he received. If Mr. Boudwin demonstrates an inability to pay, she will abandon this claim and report to the Court.

## **VI. RECEIVER’S CLAIMS AGAINST JOHN IRWIN AND JACKLIN ASSOCIATES**

As discussed in the previous Receiver’s Reports, the Receiver had significant claims against John Irwin (“Mr. Irwin”), the original limited partner of, and accountant for, the Partnership; and Jacklin Associates, Inc. (“Jacklin”), a company of which Mr. Irwin was President that provided accounting and other services for the Partnership. Mr. Irwin and Jacklin provided diverse services to the Partnership, including the preparation of the Partnership’s tax returns for and reports to the limited partners, as well as payroll and other record-keeping services. Mr. Irwin was also actively involved in the formation of the Partnership; the solicitation of new limited partners and of additional investments from existing partners; and the receipt from, and disbursement to, limited partners of Partnership funds.

As reported in the Third Receiver’s Report, the Receiver determined that settlement negotiations with Mr. Irwin and Jacklin would be fruitless and filed a Complaint against Mr. Irwin and Jacklin in this Court on March 29, 2010, captioned *Marion Hecht, as Receiver for Joseph Forte, L.P. v. John N. Irwin and Jacklin Associates*, Civil Action No. 10-1371. That litigation was ongoing when on May 27, 2010, Mr. Irwin and Jacklin each filed a Voluntary

Petition under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court for the Eastern District of Pennsylvania.

As reported in earlier Receiver's Reports, the Receiver, as the largest creditor of Irwin and Jacklin, was an active participant in both the Irwin and Jacklin bankruptcy proceedings. The Receiver filed claims in each proceeding in the amount of approximately \$34 million based upon Mr. Irwin's and Jacklin's transactions, and conduct in connection, with the Partnership. On December 18, 2014, the Receiver, with the consent of the Liquidating Agent for the Irwin Bankruptcy Estate, submitted an amended claim in the amount of \$31,887,441.00.

On August 11, 2011, the Bankruptcy Court granted Jacklin's motion to dismiss its Chapter 11 case, a motion that was based in part on Jacklin's contention that it was unable to reorganize because it had insufficient assets.<sup>13</sup> As noted in the Fifth Receiver's Report, the Receiver concluded that Jacklin does not have sufficient assets to warrant restarting active litigation against Jacklin in Civil Action No. 10-cv-1374 that is pending before this Court and had been stayed by the pendency of the bankruptcy. Instead, she decided to pursue her claims against Jacklin's shareholders – Mr. Irwin and his three daughters. Those claims have now been resolved and, accordingly, the Receiver has dismissed her suit against Jacklin.

On January 12, 2012, Mr. Irwin's Second Amended Plan of Reorganization, which had been revised to address the Receiver's objections, was confirmed. On March 19, 2012, the Receiver and Mr. Irwin (as the Debtor) filed a Joint Status Report with the Bankruptcy Court reporting the appointment of George L. Miller, CPA, CFE, of the Philadelphia firm of Miller Coffey Tate LLP, as the Liquidating Agent who was given custody of the bankruptcy estate's

---

<sup>13</sup> The Receiver had withdrawn her objection to the motion to dismiss subject to her stipulation with Jacklin that provided for, among other things, Jacklin's continued cooperation with the Receiver's discovery efforts.

assets under the Plan and was provided significant powers under the Plan to seek the recovery of and to disburse assets of the bankrupt estate.

On January 6, 2015, Counsel for the Liquidating Agent filed with the Bankruptcy Court a quarterly report for the fourth quarter of 2014 which indicated total cash on hand of \$2,057,857.17. On January 30, 2015, Counsel for the Liquidating Agent filed a Motion for Approval of an Interim Distribution to Creditors seeking approval to make a pro rata, interim distribution of \$1,500,000 to allowed unsecured claims. The Receiver's approved claim of \$31,887,441.00 represents 92.46% of the total allowed claims. On March 11, 2015, the Bankruptcy Court granted the Liquidating Agent's Motion for Approval of an Interim Distribution. Pursuant to that Order, the Receiver received an interim distribution of \$1,386,906.02 on March 19, 2015.

Pursuant to Article 14 of the Plan, the confirmation of the Plan did not discharge the Receiver's claims under non-bankruptcy law that the Receiver, and not Mr. Irwin, is the lawful owner of certain assets that Mr. Irwin declared as exempt. During the twelfth reporting period, the Receiver resolved these claims against John Irwin and related claims against his wife Lucy Irwin, with John Irwin paying \$1,151,655.80 to the Receiver and the release by John Irwin and his Spouse, of any and all claims against the Receivership Estate, including the claims of Investor #1057 and Investor #1059.

Also in conjunction with her claims against John Irwin and Jacklin, the Receiver entered into tolling agreements with John Irwin's daughters and with the Irwin Irrevocable Trust regarding the return of Partnership assets transferred to those individuals through Irwin or Jacklin. As previously reported, the Receiver settled claims against two of the daughters, Investors No. 1082 and 1116, for \$49,300 and \$41,017 respectively, which in the aggregate

exceed the Receiver's claims for net winnings of \$90,000 against Investor No. 1060, the Irwin Irrevocable Trust of which the daughters were the trustors and beneficiaries. Those settlements also provide a release of the daughters' claims against the Receivership Estate. The third daughter (Investor No. 1095) demonstrated to the Receiver that she was unable to pay funds sought by the Receiver and, therefore, the Receiver agreed to enter into a settlement agreement pursuant to which that daughter agreed to release all claims against the Receivership Estate, which included her release of certain escrowed funds. The Consent Order setting forth that agreement was approved by the Court on March 11, 2015.

## **VII. RECEIVER'S CLAIMS AGAINST MF GLOBAL**

As reported in the Fourth Receiver's Report, on December 21, 2010, the Receiver filed a Complaint against MF Global, Inc., the futures commission merchant that held the Forte Partnership account, on the ground that it was negligent in the conduct of its business by ignoring, among other things, the internally inconsistent paperwork in its files relating to Forte's claim of exemption from registration with the CFTC. The Complaint was placed on this Court's docket as matter number 10-cv-7441. As previously reported, during the pendency of settlement discussions which had resulted in an agreement in principle that would have resulted in a payment of \$125,000 to the Receivership Estate, MF Global collapsed and was placed into receivership on October 31, 2011.

On June 1, 2012, the Receiver filed her claim against MF Global with James W. Giddens, the Trustee for the SIPA Liquidation of MF Global, Inc. The Receiver and counsel for the Trustee of MF Global negotiated an agreement in principle that, in light of the previous settlement discussions and the subsequent delay resulting from MF Global's SIPA proceedings, her claim should be allowed in the amount of \$250,000. In the eleventh reporting period, upon

the motion of the Receiver, this Court authorized the Receiver to enter into a stipulation with the Trustee concerning allowance of her claim. In the twelfth reporting period, the Trustee sought and obtained approval of that allowed claim from the U.S. Bankruptcy Court of the Eastern District Court of New York. The Receiver has received two distributions on that claim, totaling \$185,000, which represents 74% of the allowed amount of the claim.

It is unknown when any additional distributions will occur. The Receiver has been approached by investors interested in purchasing the Receiver's claim. The Receiver will keep the Court informed.

#### **VIII. TAX MATTERS**

The Qualified Settlement Fund (QSF) federal return and the Commonwealth of Virginia state return for the year 2014 are on extension and will be filed shortly with the Internal Revenue Service and the Commonwealth of Virginia respectively.

#### **IX. RECEIVER'S PLAN**

Fundamentally, this Receivership Estate has three categories of assets that the Receiver has been seeking to liquidate for the benefit of the Partnership's defrauded limited partners: (1) Joseph Forte's personal and real property, including various investments; (2) the Partnership's tort claims against its professionals; and (3) the clawback claims against certain limited partners and other recipients of Partnership assets from Forte. The status of these efforts is summarized above.

*Real and personal property.* The Receiver has sold virtually all of those assets and will sell the remaining small business minority investment before the windup of this Estate.

*Tort Claims.* The Receiver has resolved her tort claims with settlements that have already resulted in the Receiver's recovering \$2,536,655.80 from Mr. Irwin, his wife, and his

bankruptcy estate; \$185,000 from MF Global, Inc., the futures commission merchant that held the Forte Partnership account; and \$100,000 from the Partnership's attorneys. The Receiver does not know the extent to which she will realize additional recoveries on her claims in Mr. Irwin's bankruptcy and MF Global's SIPA proceedings. The Receiver anticipates that any additional recoveries will be received without any significant work by her or her professionals.

*Clawback Claims.* As discussed above, the Receiver has resolved most of her clawback claims against the charities who were the recipients of Mr. Forte's largesse with investors' money, gift recipients, and investors who were net winners. For example, as set forth above, the Receiver has resolved all significant claims to claw back charitable donations, having settled with the two Archdiocesan High Schools and with St. Anastasia Church and School for settlements totaling \$589,349. While the Receiver and her counsel have determined it is not in the net best interest of the Receivership Estate to pursue the remaining charitable donees, they are in the process of seeking to negotiate acceptable resolutions with the individual recipients of gifts from Mr. Forte and one of the apprentices.

As to the claims to claw back distributions to limited partners, the Receiver has four pending suits asserting such claims:

- The Receiver's Counsel has negotiated agreements to resolve the two suits which involve net winnings paid to profit sharing plan participants. One consent order has been approved by the Court and the other will be submitted to the Court shortly.
- The third case is against the transferees of one of the defendants in the draft complaint described above and is stayed.

- The fourth case is against three net winners. She has reached an agreement in principle with respect to one of those net winners and she is engaged in settlement discussions with the other two. If the claims against these net winners cannot promptly be resolved, the Receiver intends to file motions for entry of judgment on her claims for net winnings plus interest.

The other twelve limited partners who have not returned their net winnings – and who received approximately 80% of the net winnings at issue (\$2,550,957) – are named in the Receiver’s draft complaint to recover net winnings and principal distributed to or at the direction of individuals whom the Receiver contends were sophisticated investors who participated in the promotion of the Partnership. The Receiver’s counsel has been engaged in settlement discussions with counsel for some of these limited partners and, if she cannot resolve her claims against in the near future, she will file suit. However, the Receiver is hopeful she can negotiate a resolution without protracted litigation.

Attached as Exhibit 4 is a timeline that reflects the Receiver’s current best estimate of appropriate dates for the processing of the Receiver’s clawback claims and creditors’ claims against the Receivership Estate. As discussed above, the Receiver’s counsel is engaged in discussions with the persons from whom she seeks to claw back funds. Should she conclude that the discussions will not result in settlements that are in the best interests of the estate, that the potential defendants have not demonstrated an inability to pay the amounts demanded by the Receiver, and that litigation is likely to produce a net economic benefit to the Estate, she will pursue her claims in litigation. Based on the Receiver’s experience in other clawback cases in these proceedings, she anticipates that the cases will be trial-ready by the Spring of 2016, if the claims are not previously resolved. Should the Court’s docket permit the suits to be tried in the

Spring of 2016 and should no appeals be filed from the resulting judgments, the Receiver anticipates filing the motions necessary to windup the Receivership Estate within the next year. Although these dates may change depending on subsequent events, the timeline was developed with the goal of seeking to complete the majority of the activities necessary to liquidate the remaining assets, including the trial of the Receiver's clawback claims, within the next twelve months. The Receiver's success in recovering funds to compensate investors for their losses, and the time required to do so, will inevitably depend on the defenses asserted by those persons from whom she is seeking to recover the assets and their interest in a consensual settlement without protracted litigation.

During this reporting period, the Receiver has brought in more than \$1,700,000, and with that cash in hand, she made a second distribution to the investors, bringing their recovery to slightly more than 20%. The Receiver anticipates a third and final distribution upon the resolution of her remaining claims.
